

PLACEMENT REPORT 2025-26

B.TECH

PLACEMENT STATISTICS

2025-26

HIGHLIGHTS

The 2025-26 B.Tech placement drive culminated in an exceptionally strong season for the institute. We secured opportunities for **94.01%** of the participating students, registering a highest package of **1 Crore**. This season was defined by remarkable year-over-year growth across all key metrics. Average compensation rose from **33.71 LPA to 40.00 LPA**, and the median package experienced a substantial leap from **26.00 LPA to 41.50 LPA**. This steady upward trend highlights the continued trust and robust recruitment from marquee industry leaders such as Amazon, Google, and Uber.
